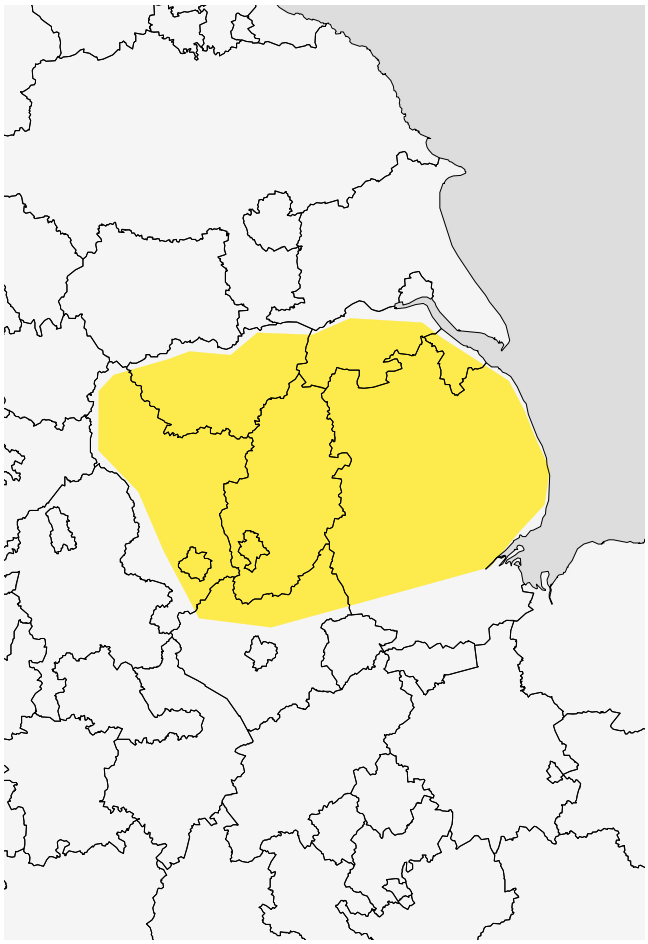
Yellow warning
Rain

Between
09:00 Thu 14 Nov 2019 and
03:00 Fri 15 Nov 2019



Further heavy rain may lead to further disruption and flooding.

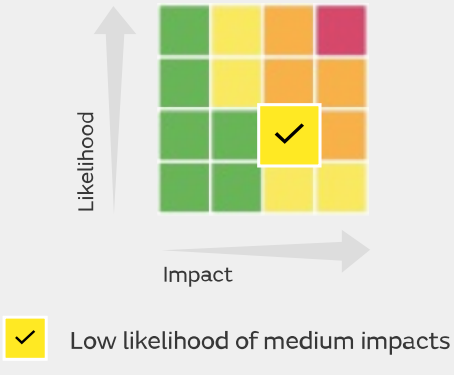
What to expect

- Further homes and businesses could be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is possible, causing a danger to life
- Spray and flooding could lead to difficult driving conditions and some road closures
- Some communities may be cut off by flooded roads
- Delays or cancellations to train and bus services are possible
- Possible power cuts and loss of other services to some homes and businesses

Further details

A period of heavy and persistent rain is likely on Thursday. 10-20 mm is likely fairly widely within the warning area and a few places may receive 35-45 mm which may lead to further flooding and disruption.

The rain is expected to ease and clear to the north later on Thursday night.



Low likelihood of medium impacts
